## INTRO/INTERLUDES:

**E F#m A (G#)**

**E A**  
He leadeth me, O blessed thought,  
**C#m B**  
O words with heavenly comfort fraught.  
**E A**  
Whate'er I do, where'er I be,  
**C#m B E**  
Still 'tis God's hand that leadeth me.

**E A**  
And when my task on earth is done,  
**C#m B**  
When, by thy grace, the victory won,  
**E A**  
And death's cold wave I will not flee,  
**C#m B E**  
Since God through Jordan leadeth me.

## Chorus

**E B/F# A**  
*He leadeth me, He leadeth me,*  
**C#m B**  
*By His own hand He leadeth me.*  
**E B/F# A**  
*His faithful follower I would be,*  
**C#m B E**  
*For by His hand He leadeth me.*

**E A**  
Sometimes 'mid scenes of deepest gloom,  
**C#m B**  
Sometimes where Eden's bowers bloom,  
**E A**  
By waters calm, o'er troubled sea,  
**C#m B E**  
Still 'tis God's hand that leadeth me.
