RECORDED KEY

**INTRO:** Am F  
Am C G

F G C  
O sacred head, now wounded,  
Am E Am  
With grief and shame weighed down.  
F G C  
Now scornfully surrounded  
Am E Am  
With thorns, Thine only crown.  
G F C  
O sacred head, what glory,  
F Am  
What bliss till now was Thine.  
G C D  
Yet, though despised and gory,  
F G Am  
I joy to call Thee mine.

F G C  
What language shall I borrow  
Am E Am  
to thank thee, dearest Friend,  
F G C  
for this, thy dying sorrow,  
Am E Am  
thy pity without end.  
G F C  
Oh, make me thine forever,  
F Am  
and should I fainting be,  
G C D  
Lord, let me never, never  
F G Am  
outlive my love to thee.

**INTERLUDES:** Am C G

F G C  
What Thou, my Lord, hast suffered,  
Am E Am  
Was all for sinners' gain.  
F G C  
Mine, mine was the transgression,  
Am E Am  
But Thine the deadly pain.  
G F C  
Lo, here I fall, my Savior  
F Am  
'Tis I deserve Thy place;  
G C D G  
Look on me with Thy favor,  
F G Am  
and grant to me Thy grace.

F G C  
The joy can never be spoken,  
Am E Am  
Above all joys beside,  
F G C  
When in Thy body broken  
Am E Am  
I thus with safety hide.  
G F C  
O Lord of Life, desiring  
F Am  
Thy glory now to see,  
G C D G  
Beside Thy cross expiring,  
F G Am  
I'd breathe my soul to Thee.
